Experience

Senior Graphic Designer

BackBay Communications | Dec 2021 - Apr 2024

Working closely with an in-house PR team and the client to build brands, rebrands, websites, newsletters, infographics, and stationary prints. Often working independently and efficiently to provide clients with various options and layouts that match their brand and message.

Digital Designer

Dynamic Beacon | Oct 2017 - Dec 2021

Working independently and with fellow designers to design and develop responsive and engaging websites and emails. Often following branding guidelines to ensure designs were in line with the business' vision and message. As well as social media, video, and print design.

Freelance Designer

Sept 2016 - Current

Engaged in a variety of creative projects covering graphic design, video editing, and web and email development for clients such as Agile Creative Solutions and FlipLocal. Delivering tailored solutions that align with the unique visions and objectives of each client.

Education

Montserrat College of Art | 2014 - 2016

Bachelors in Graphic Design

Greenfield Community College | 2011 - 2013

Associates
